# It's Funny How I Never Knew Her Name.

4 0 1

## Chapter 1 by saisuman

Did you ever have a crush whom you would silently admire but never dared tell her/him how you felt about her/him? Well, that was the pretty much case of not me but a secret "admirer" of me. Well, it all started last year on my birthday. It was morning and I was tired of all the party and birthday bums I got last midnight when someone knocked on my door. I went to answer, but no one was there, when I was about to close the door I saw a present that was kept on the floor. When I opened it I found pocket watch and it was no ordinary one, it was my dad's present to me which I lost. Actually it was a replica of it. I didn't who gave it me, but it meant a lot to me.
